### Striking Miners Are Enjoined

COLUMBUS, O., June 13.—A temporary injunction restraining United Mine Workers in Harrison and Jefferson counties from interfering with coal stripping operations in the two counties has been granted by Federal Judge Sater, it became known today.

The injunction is directed against individuals and specific unions in the two counties, including Frank Ledvinka, president of Sub-district No. 5, United Mine Workers; James Kunie, of the executive board of the mine workers for the district, and John Stanchino, secretary of Local No. 5053.

Judge Sater's opinion says the evidence shows that "defendants seek to cause third persons to disregard contracts made with the plaintiffs."

"The courts will not refuse to enforce and protect a legal contract between the plaintiffs and their employees at the instance of any outside party merely because some benefit will thereby accrue to the plaintiffs," Judge Sater said.

The evidence showed, the opinion went on, that there was picketing to an extent which amounted to intimidation and besides "overt acts of physical violence and attempted violence, an unfriendly feeling was engendered."

Suit asking for the injunction was brought by the Harmon Creek Coal Company, Pennora Coal Company, Tassa Coal Company, United Coal Company and the Wayne Coal Company, against Lee Hall, president of the Ohio mine workers, and local unions. All the plaintiffs operate in the two counties.

### Tally Rail Strike Vote

CHICAGO, June 13.—(By the Associated Press)—A corps of clerks in union headquarters of the railway shop crafts today began tabulating strike ballots as rapidly as returned from shopmen on the nation's railroads. Each mail increased the number of returned ballots which are due not later than June 30.

Tabulation began with the first ballots favoring a strike. They were received last night from a Chicago electrical worker, who wrote "Yes" across the square in front of the three propositions. Nearly one and one-half million ballots went out in the mails last Saturday.

Although the ballots are returnable June 30, the day before wage reductions ordered by the United States Railroad Labor Board become effective, B. M. Jewell, president of the railway workers' department of the American Federation of Labor, urged the men to have their votes registered by June 25. This will enable the general committees which meet here June 24, to count the ballots and announce the result of the

referendum by July 1. With the national committee rests the authority to call a strike if the vote shows a two-thirds majority favorable.

### OPERATORS SEEKING BASIS FOR COAL STRIKE SETTLEMENT

WASHINGTON, D. C., June 13.—(By the Associated Press)—The statement was made at the White House today that the administration is not contemplating an important immediate or drastic action in the continuing nation-wide coal strike.

CLEVELAND, O., June 13.—(By the Associated Press)—An effort to find a basis for a settlement of the coal strike is being made by coal operators, it became known here today. T. K. Maher, president of the Maher Collieries Company, stated that he understood conferences of operators were going on throughout the country in an effort to get together on a peace offer to the unions.

Reports from the Pittsburgh coal fields that a new Pennsylvania coal operators' association had been formed, brought forth predictions from local operators today that the first break in the nation-wide bituminous coal strike may not be far distant.

### Drops 24,206 Feet In A Parachute; Thrilling Experience For Aviator

DAYTON, O., June 13.—(By the Associated Press)—Lashed and whipped about by a 120 mile an hour gale more than four and a half miles above earth, on the verge of suffocation, caused by loss of his oxygen tank and compelled to cling to ropes and straps attached to a parachute for fear that a whirling cross current might weaken them and cause them to break are several of the "mere" details related today by Captain A. W. Stevens, aerial photographer, McCook field, who yesterday broke the world's parachute jumping record when he descended 24,206 feet.

The fact that it was Captain Stevens' first "drop" tends to make his feat one of the most remarkable in the history of aviation. He suffered no ill effects from his hazardous trip.

The plane in which Captain Stevens ascended, a twin-motored Martin bomber, piloted by Lieutenant Leigh Wade, broke the world's altitude record for this particular type of ship carrying three passengers when it attained a ceiling of 24,206 feet. Sergeant Roy Laughum was the third member of the party.

Captain Stevens was reluctant today to discuss details of his experience.

"For a long time I have wanted to make a parachute drop," he said, "primarily to obtain first hand information as to the sensation one feels. I am highly gratified to think I was able to bring another record to McCook field."

"When the plane reached the ceiling, I made ready to jump. As near

as I could judge, we were over Springfield, Ohio. Bidding my pals good-bye, I jumped.

"The opening of the parachute caused the oxygen tank to become loose from its fastenings on the front of my clothing. Grasping it with both hands, I endeavored to retain it.

"The wind, which was traveling at a speed of 120 miles per hour, whipped the parachute around like a jackstraw. I was forced to use both hands on the ropes and straps which held me to the chute, in an effort to check oscillation which threatened to weaken the supports. It was then that I lost the tank. I think it fell some place near Springfield.

"It was an experience I shall never forget. Before settling down to a lower altitude, I thought my time had come as I was nearly suffocated, due to the rareness of the atmosphere. Dropping out of the gale into calmer atmosphere below, I quickly recovered, however.

"I landed at Jamestown, approximately 25 miles from where I left the plane. The descent took just 30 minutes.

"Just before taking off at McCook field, an orderly appeared carrying

a lunch kit containing sandwiches and coffee in vacuum bottles. We ate the lunch 24,000 feet in the air and we all enjoyed it thoroughly. The temperature at the ceiling was zero."

Another plane picked Captain

Stevens up at Jamestown and brought him back to McCook field. Two hours and five minutes was required by Lieutenant Wade to pilot the bomber to her record-breaking altitude.

### Indians Make Drive On Park

LEAMINGTON, ONTARIO, June 13.—A detachment of royal Canadian mounted police was stationed at the National Park at Point Pelee, seven miles from Leamington today, prepared to halt the march of several hundred Indians, who have laid claim to the park and thousands of acres of the best farming land in this part of Canada, under a treaty with the British government executed in 1749. The dominion government, refusing to recognize the Indians' claims, instructed the mounted police to prevent any encroachment upon the lands and to arrest the tribesmen as trespassers.

At the head of the Indian "invasion" was Archie Dodge, a member of the Potawatomi tribe, and a descendant of Tecumseh, leader of Great Britain's Indian allies in the war of 1812. He is recognized as the head of the tribe, being the great grandson of the last chieftain.

Dodge, who is 23 years of age, declared members of his tribe were the original settlers of the Canadian shores of Lake Erie and occupied the lands from the time of the British grant until about 1836, when they scattered to various parts of Ontario. Several years ago a movement was started to reclaim the land of their forefathers, but they encountered government opposition. Heads of the wandering bands held a powwow at Atkinson last March, however, and decided on a trek to Point Pelee. Dodge and a small band were the first to arrive yesterday. About 300 others are reported en route.

In addition to the lands, Dodge told police officers in disclosing the plans of the Indians, the government still owes the various tribes \$300,000 in treaty money. Payment of this sum is to be demanded, he said.

So far as the officers could learn, the Indians came with no intention of taking the lands by force and such a course was disclaimed by Dodge, who was uncampaigned last night on what is known as alienated land, just outside the park preserves.

The area claimed by the Indians extends from Point Pelee, the most southerly point of the Canadian mainland, east to Sturgeon Creek, a dis-

tance of ten miles, and to the town of Wheatly, eleven miles east of Leamington.

Leamington is directly north of Sandusky, across Lake Erie, and is about 20 land miles north of Put-In-Bay Island.

#### Harding Gives Congress Free Hand On Muscle Shoals Proposition

WASHINGTON, D. C., June 13.—(By the Associated Press)—President Harding has taken no position with respect to the question of Muscle Shoals and feels that congress should have a free hand in the matter. It was authoritatively said today at the White House.

### Says Ship Subsidy Bill Must Pass

CINCINNATI, O., June 13.—(By the Associated Press)—The ship subsidy bill, now pending in congress, was condemned by a resolution adopted unanimously today by the American Federation of Labor as "unlabeled to public interest and destructive of the nation's hope for sea power."

Andrew Furuseth, president of the International Seamen's Union, told the convention that the bill probably would be reported tomorrow in both houses of congress with committee recommendations that it be enacted into a law. On Furuseth's motion, the convention voted to wire a protest to congressional leaders opposing favorable action.

WASHINGTON, D. C., June 13.—(By the Associated Press)—President Harding has notified Chairman Campbell, one of the house rules committee, that unless the ship subsidy bill is passed prior to adjournment, he would feel obligated to call a special session solely for its consideration.

Writing under date of May 20, the president said:

"So much is involved and such a difficult and discouraging situation will follow if congress fails to sanction the merchant marine bill that I should feel myself obligated to call congress immediately in extraordinary session to especially consider it if it went over through any neglect or delay beyond the present term."

The views of the president were set forth in a letter to Chairman Campbell, in which he expressed the hope that the rules committee would give privileged status to the shipping bill.

The president said:

"I understand that in a very short time the merchant marine bill is to be favorably reported to the house. I am writing to express the hope that your committee on rules will report whatever provision is necessary for its early and final consideration. I cannot convey to you how very earnestly I feel the necessity of passing this act. So much is involved and such a difficult and discouraging situation will follow if congress fails to sanction the merchant marine bill that I should feel myself obligated to call congress immediately in extraordinary session to especially consider it if it went over through any neglect or delay beyond the present term."

"It should be more than glad to cooperate in any way that I can in impressing the house with the urgent necessity of the favorable consideration of this bill. I am writing an expression of my earnestness to you at this time because I understand it is within the province of the rules committee to report a provision under which there may be secured early and I hope favorable consideration."

Plans had been made to introduce the merchant marine measure in the house today, but because of unexpected delay in redrafting the final sections, it was announced by Representative Edmunds, Republican, Pennsylvania, in charge of the subcommittee work that the merchant marine committee would not be able to present the bill before tomorrow. It will be referred automatically to the committee, which will report it to the house later in the week.

### SPLIT ON LABOR BOARD OVER THE WAGE SLASHES

CHICAGO, June 13.—(By the Associated Press)—The division in the personnel of the railroad labor board, which resulted in vigorous dissenting opinions on the wage reductions totalling \$110,000,000, effective July 1, already announced, will make its appearance again when another \$40,000,000 or so is lopped off the pay checks of 350,000 more railway men this week.

The majority decision of the board was completed yesterday, but a minority opinion will delay announcement of the new order for several days. It was learned today. Under the board's rules, any dissenting member is allowed three days to draw up his opinion. A final decision will

affect all remaining classes of railway employees, except telegraphers, for whom the board will make a separate decision later, and the train service men, whose wages were not before the board for adjustment.

The three labor members of the board—A. O. Wharton, Albert Phillips and W. L. McMeinmen—have signed dissenting opinions in each of the reduction orders issued recently. Commissioner McMeinmen departed yesterday for the east, however, on a trip of investigation for the board and may not be present to sign the new minority decision. It is certain, however, that both Commissioners Wharton and Phillips will protest the reduction.

## Former Local Boy Drowns In Ohio

Mr. and Mrs. Hal Moister of 1123 Eighth street received a telegram Tuesday conveying the sad intelligence that Russell Dawson, aged 13, and a son of Mr. and Mrs. Frank Dawson, drowned while bathing in the Ohio river at Newport, Ky., yesterday.

His body was recovered about 7 o'clock last night.

Dawson went down the last time before any one could rescue him. He was in the second grade of high school and was a bright and studious boy. He had frequently visited here since his parents moved away from Portsmouth.

Mr. Dawson is a well known tinner and at one time resided on Third street near Glorier and on Offshore near Third.

## C. & O. AGENT RESIGNS

Frank M. Griffin, C. & O. ticket agent at Fullerton, has resigned the position he has held for fourteen years. He has taken this step on account of serious heart trouble, which has been growing worse ever since January 1st of this year. Mr. Griffin was checked in as ticket agent and express agent at Fullerton point, May 20, 1908, and has lost 31 days from the job in all of that time; seven days on account of the 1912 flood, and 2 days with the flu in February in 1919. He thinks he has more

days' work to his credit than any other man on the C. & O. line for the same length of time as he has not had a Sunday or vacation of any kind in all this time. He served twelve years as express agent which office was closed two years ago. Four years as postmaster and twelve years as local registrar of the Kentucky State Board of Health. All in all, he has been very busy and as he is now nearly 63 years of age he thinks it high time to begin looking about for some little recreation.

## SOCIETY

A pleasing incident of today's social calendar was the elaborate reception tea presided over by Mrs. A. G. Dunn and her daughters, the Misses Helen and Mildred Dunn, at their handsome home on Offshore street, between the hours of two and five o'clock this afternoon.

The Dunn home was artistically decorated for the occasion in beautiful summer flowers, the various rooms were banked with Dorothy Perkins roses, hydrangeas and daisies, with additional baskets of these lovely flowers placed here and there, making an effective background for the bright-colored summer frocks worn by the guests.

At the entrance to the reception hall Miss Edith Bannan greeted the guests, who passed into the large drawing-room, where they were received by Mrs. Dunn and her daughters, each in their most gracious manner, giving all a cordial welcome.

After whiling away a few pleasant moments with their hostesses the callers were next greeted by Mrs. Arthur H. Bannan and Mrs. Charles J. Hauck, who invited them into the dining-room, where Mrs. Charles Hyland, Mrs. James D. Williams, Mrs. Raymond D. Wiltsee and Mrs. Rex Selby were doing the honors of serving the dainty refreshment course.

The dining table was beautifully laid with a handsome Madeira luncheon cloth, artistic floral center-piece and pretty silver candlesticks canopied in pink, making a picture of unusual beauty.

Assisting in various capacities during the second hour were Miss Marie Murray, who met the guests at the front door; Mrs. Warwick W. Anderson and Miss Edna Marting, who invited the guests into the dining-room; Mrs. Evan Williams, Mrs. John Neuberger, Miss Helen Rardin and Miss Lena Hauck, who assisted in passing the refreshment plates.

Over two hundred, including several out-of-town guests, were given this delightful privilege, pleasant comment being made upon the ease and grace and general finish with which the transition from entrance to exit was accomplished, and to the hostesses is accorded a brilliant success.

## Benigno Says He's Innocent; Resigned To His Fate

COLUMBUS, O., June 13.—(By the Associated Press)—With his three-year-old daughter clasped in his arms in a last fond embrace as he sat in his cell in "Death Row," Dominic Benigno today appeared resigned to his fate, which will take him to the electric chair at the penitentiary shortly after midnight tonight, for participation in the Sly-Fanner payroll murders at Cleveland on December 31, 1920.

"I can't say much now," Benigno told newspaper men as he fondled his little daughter. "It is too late. My attorney has done all he can to save me, but I was framed and I guess I have to go."

"Sam Purpora was a false witness against me. In the last days that he spent here (they occupied cells near each other in Death Row) we often heard him in his prayers begging God's forgiveness for testifying falsely against me. Sam did that to me, but he is gone now and I must forgive him. The worst he could say of me was that I drove the car and God alone knows that I didn't."

As the condemned man talked he held his little daughter in his arms, smoothing back her hair tenderly. Frequently he would kiss her. She had been admitted to the narrow, wire-screened enclosure in order that her father might have his last moments brightened by the child's happy face. Outside the screen, Benigno's wife, holding their year-old baby, and his mother-in-law sat silent, watching as he spent a few precious moments with newspaper men.

The condemned man seemed conscious of nothing but his family as he talked. There were tears in his eyes and he smiled as he talked with his family in Italian.

Penitentiary officials will permit him to see his wife late this afternoon, after which he will be taken across the prison court yard to the annex, where he will be lodged in the death cell above the execution chamber to spend his last moments in prayer.

The annual banquet and frolic of associate officers will be held tonight in the First Presbyterian church.

## HON. CARMI THOMPSON OPENS CAMPAIGN HERE

Hon. Carmi A. Thompson, republican candidate for governor, opened his campaign in Portsmouth Monday night when he made one of his characteristic speeches before members of the Republican club at their headquarters in the Masonic Temple. He was in good voice and made a splendid impression. He talked straight from the shoulder and evidently is going to make an aggressive campaign.

Col. Thompson is the first of the Republican candidates to visit Portsmouth. It was expected that he would start his campaign in southern Ohio, because it was in these parts that he started on his successful business and political career.

His successful campaigns for the legislature for two terms from Lawrence county, acting as speaker of the house during the second term. His two campaigns for secretary of state, as well as his appointive federal positions, of assistant secretary of the Interior, secretary to President Taft and treasurer of the United States are well known to the voters of Scioto and neighboring counties.

On his arrival from Cleveland yesterday noon to attend the twenty-third annual encampment of the United Spanish War Veterans, Thompson found that plans were made for a big reception for him at the Scioto County Republican Club.

In spite of the heat, one of the largest crowds to attend a political meeting in Portsmouth, turned out to meet and greet Thompson whose old home, Ironton, is in the neighboring county of Lawrence. In the audience were many old friends who knew Thompson in his early political career when he was in the legislature, as well as when he came to Portsmouth to try his cases at the start of his law career.

Col. Thompson, who made a success in business, told the members of the Scioto Republican Club that he was for the Dinn reorganization bill in principle, he said. "We must be careful in developing government along the lines of sound business principles to avoid the pitfalls of over-organization of modern business itself," he continued.

"This reorganization was clearly a step in advance. It recognizes the principle of co-operation in conducting the multitudinous interests of the state.

"Whenever any duplication is found whether it be by individual, bureau or otherwise, that duplication must be eliminated.

"The trouble with modern government is over-organization. Public officials must always bear in mind they are spending the tax payers dollars and for this reason economy is essential in conducting the affairs of the people.

"I promise you, my neighbors, that my motto always will be a dollar's worth of government for every dollar invested."

Colonel Thompson said that he would apply the same plain and simple business like administration to the state's business that he did in his own successful business.

"If elected governor, I will inject the fundamental principles of successful business into governmental affairs."

Colonel Thompson pledged himself to a rigid enforcement of all the laws on the statute books.

A reception committee of one hundred delegates of United Spanish war veterans and auxiliary and the Ohio Soldiers and Sailors, Orphans' Home Band at Xenia was on hand at the Norfolk and Western depot to greet Thompson on his arrival here.

Guest Of Rotary Club

He was guest of the Portsmouth Rotary Club yesterday noon where he spoke briefly renewing old acquaintances. A reception which was in charge of a committee, headed by Harry W. Miller, Dr. D. W. Tremper, Mrs. Cornelia Treuthart, Dan Thomas, Frank Moulton, Mrs. Isabelle Thomas, Dr. C. E. Jackson and Miss Edna Streich looked after the arrangements.

Col. Thompson plans to leave Tuesday night for West Union, Adams county where he will start his active campaign for the gubernatorial nomination. He will visit Adams, Brown and Clermont counties this week. He plans to visit every one of the eighty-eight counties in the state before the primaries on Tuesday, August 28th.

**First Case In Local Court**

Few people know that Carmi A. Thompson tried his first court case in the Scioto Common-pleas court.

"The first case I ever tried was before your late Judge Noah J. Dever," "I had a motion before the judge and when I became excited in my delivery, Judge Dever, lovable soul that he was, said: "Young man, your motion has some merit, now therefore, collect yourself and just make yourself at home. Imagine for a moment that you met me on the street and tell me your story."

"I did and won my first case. "So you see Portsmouth always recalls happy days to me."

Thompson recalled that the late C. J. Moulton, who was serving his second term in the house of representatives, befriended him, who was elected to the legislature for the first time.

"Uncle Chan" was a great help to me," Thompson said. "He taught me a great many things which helped me wonderfully later in my career. His suggestions all were very practical and his criticism constructive, and my elevation to be speaker during my second term was in a measure due to some of the lessons taught me

by "Uncle Chan" and some men of his type in the legislature."

Colonel Thompson's speech about more business in government made a particular hit with the ladies present last night. Mesdames Isabelle Thomas, Cornelia Treuthart, J. T. McCormick and Miss Edna Streich acted as the ladies on the committee of arrangements.

Twenty-five years make great deal of difference, according to Mrs. Isabelle Thomas. Mrs. Thomas, a former Irontonian, knew Carmi Thompson when he was city solicitor in 1897.

"He certainly has changed," said Mrs. Thomas. "I would hardly have known him."

"He has the same affable manner, however," she added.

"A most pleasing personality, able and capable defines Carmi Thompson," she added.

"C. A. Thompson, one of the leading members of the bar," is the start of a story in the "Headlight" a publication gotten out by the C. & O. R. twenty-seven years ago.

Mrs. Isabelle Thomas had the publication which carried Thompson's picture. She prizes it because it recalls old times in her home city, Ironton.

# Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, wees, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—Please tell me what to use and how to clean piano keys. Mine are dirty and have turned yellow. Would like to know if there is anything that will whiten them.

**A COUNTRY READER.**  
You can clean the keys with a piece of cheese cloth dampened with water, and you can whiten them with prepared chalk. You can also buy whitening preparations at a music store.

Dear Miss Wise—Will you please tell me the name and address of the American Legion Post at St. Louis, Missouri, and if there is more than one tell me all of them.

Also who played the soldier's part in the "Devil's Pass Key," shown at the Lyric Theatre some time ago?

**THANK YOU.**  
Inquire at the local Legion office, or address your letter, American Legion, St. Louis, Mo. If you are after information, and the letter goes to the wrong Post, they will forward it to the proper office if they cannot supply you with the desired information. Eric Von Stohm played the leading role in the play you mentioned.

Dear Miss Wise—Will you please give me a receipt for placekappe honey.

**SOUTH PORTSMOUTH READER.**

Can you really supply this recipe? If so, please 640.

Dear Dolly—Will you please tell me what is good for a shiny nose? I have tried powdering it, but it doesn't do any good. I need a better remedy than that.

**MRS. X. Y. Z.**  
A mild astringent, such as toilet water applied to the nose will have the desired effect.

Dear Dolly—Just want to tell you how you hit the nail on the head when you answered that letter signed "No Kisses," some time ago. Now Dolly, I never go to picture shows. I stay right at home practically all the time. I have three little children to look after, keep the house straight, wash, iron and do all of our own sewing and you don't know how it would please me when my husband comes in, if he would only give me a kiss and tell me something that has happened while he is out, all over town. But instead of that, he comes in and acts so dry, only toward the little ones. I think the wife comes first. How different they are before they get you. Some men never can see anything you do around the house. If you work your head off. One good feature about him, though, he is a good provider and don't know what it is to run around at night. But if he could joke and when you ask him a question he would not say yes or no, or I don't know anything about it. Of course that causes me to think he don't want to be bothered, so I just keep still. I just want that man that signed his letter "No Kisses" to know that his good wife is the only one that has a right to those kisses and that she deserves them. I glory in her spunk. It is wringing me to death by inches the way my husband acts.

**HARD WORKER.**  
Maybe your husband feels the same way towards you, as you do towards him, so why not surprise him this evening with a great big bear hug. Married women do not have to wait.

**THE FOLLOWING FROM MONDAY'S CHILLICOTHE NEWS-ADVERTISER WILL BE READ WITH INTEREST AS MR. MCKELL IS THE TREASURER OF THE PORTSMOUTH TELEPHONE COMPANY AND MAKES WEEKLY BUSINESS TRIPS TO THIS CITY IN THE INTEREST OF THE COMPANY.**

"A wedding to be solemnized at Camden, N. J., on Wednesday, elicits much interest here, the groom being W. Scott McKell, and the bride, Miss Stella Coward of that city. Intimate friends have known for some time that Mr. McKell contemplated matrimony, but otherwise he kept his secret to himself. Mr. McKell left for Camden last week.

"After the ceremony the newlyweds will come to Chillicothe for a short visit, after which, accompanied by Mr. McKell's mother, they will leave for California to spend their honeymoon. Mrs. McKell left for Camden on Monday to attend the wedding ceremony."

## Adventures Of The Twins

BY OLIVE ROBERTS BARTON

The moon suddenly had become quiet and peaceful and beautiful again.

It just seemed the poor moon got out of one kind of trouble to get into another—sort of out of the frying pan into the fire.

Mr. Peckabout, the Man-in-the-Moon, was lost and now Comet-Legs, that awful fairy, had run off with the magic powder and threatened to turn the moon square.

Nancy and Nick were nearly at their wits' ends. Wasn't it a good thing kind Mr. Sprinkle-Blow had come to the moon to help them?

The three of them stood in the little house where the Moon-Man kept the handles for running the moon. Comet-Legs had been playing hob with these handles, jerking the poor old moon this way and that like an automobile someone is just learning how to drive.

Mr. Sprinkle-Blow looked thoughtful.

"Well, my dears," he said finally, "there's only one thing to do. I'll stay and run this old shebang of a moon while you go and hunt for Mr. Peckabout."

"That's a good idea," agreed Nick. Mr. Sprinkle-Blow stood his umbrella in a corner and hung up his hat. Then he went and looked at the calendar.

"Hum, ho!" he sighed. "Let's see. It says 'Full moon—shiny.' The first thing to do is to push all these handles back to place and begin over."

This he did. Then he pulled out the handle marked "Full moon—shiny."

And folks on the earth quit wagging their heads and gazing up through their long glasses at the queer antics of the moon. For the moon suddenly had become quiet and peaceful and beautiful again—shining down over the tree-tops like a lamp.

Away went Nancy and Nick to hunt for poor Mr. Peckabout.

(Beauty Notes)  
Ugly hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about 2 minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone.—Advertisement.

# XENIA GETS THE NEXT UNITED SPANISH WAR VETERANS' MEET; LADIES ELECT OFFICERS

## Military Parade and Ball Held Last Night; 1922 Meeting Ends Wednesday

Selection of Xenia as the place for the 1922 state encampment, by the veterans on invitation of Colonel S. Garver of the O. S. & S. O. Home of that city, nomination and election of officers by the Ladies' Auxiliary of the Department of Ohio, United Spanish War Veterans and the hearing of reports of special committees by the United Spanish War Veterans held the business sessions of the second annual encampment of the United Spanish War Veterans and their Auxiliary opened at headquarters in the high school building. The Auxiliary held another brief session this afternoon when committees reported after which the men and women adjourned until Wednesday morning when the final sessions of the encampment will be held.

The Ladies' Auxiliary elected the following officers:

President, Mrs. Helen Brinkle of Dayton.

Senior Vice President, Mrs. Margaret Beller, Cleveland.

Junior Vice President, Daisy Wang, Toledo.

Chaplain, Mrs. Thalia Idleman, Youngstown.

Judge Advocate, Mrs. Mabel Jacobs, Palmetto.

Patriotic Instructor, Miss Mary Wingeter, Canton.

Historian, Mrs. Ella Bradbury, Springfield.

Conductor, Mrs. Anna Meyers, Akron.

Assistant Conductor—Mrs. Anna O'Neil, Cincinnati.

Guard—Mussie Koons, Hamilton.

Assistant Guard—Mrs. Nettie Ma-thiott, Portsmouth.

The appointment of a secretary and treasurer will be made Wednesday morning when the new officers are installed in their places.

This afternoon the veterans and auxiliary members went to Millbrook park for a big outing, the feature of the day being a ball game between the New Boston high school nine and the O. S. & S. O. Home nine from Xenia. Refreshments are to be served at the park at 5:30 o'clock by the entertainment committee of Peersless Camp and its Auxiliary of this city.

Another big event scheduled for tonight is the parade and degree work by the members of the Military Order of the Serpent.

The military parade and ball featured Monday night's encampment program. Hundreds of local citizens lined the street curbs along the line of march and cheered the national colors and Camp banners and the marchers as they passed in review. Following the parade the grand ball was held in the Winter Garden, with dancing from nine until after midnight, several hundred attending the dance, where new acquaintanceship was renewed and new friendships formed, delegates and visitors not dancing gathered in little groups that recalled former encampment gatherings of this kind.

**Parade Delayed**

The military parade scheduled for seven o'clock was about an hour late in starting from the point of assembly, Gallia and Waller streets. Plans had been made to have the 124th Field Artillery turn out with their horse drawn equipment on parade for the first time.

The full membership of Battery B met at their armory early in the evening and then their hard work started. They had to skidish about for horses and after getting horses their work was made still harder for the new harness received had to be adjusted to the steeds engaged just for last night, as horses for the Battery have not been sent as yet by the War Department. After the parade committee had waited for more than an hour and the National Guard units had not appeared to take their places in the formation of the parade the order to start the march was given. During the hour wait the O. S. & S. O. Home band from Xenia and the local bugle corps played a number of selections at Gallia and Waller streets.

The parade moved over the following route: West on Gallia to Chillicothe, north on Chillicothe to Seventh, west on Seventh to Washington, south on Washington to Second, east on Second to Chillicothe, north on Chillicothe to Gallia and east on Gallia to the Winter Garden.

The band was headed by Encampment Commander John G. DeCamp of Hamilton and Edward Zeek, chairman of the Encampment Committee and Captain Stanley Prichard, chairman of the parade committee.

Behind them came the boys' band of forty-five pieces, the organization playing military marches all along the route. Officers of the Encampment, in full uniform, followed the band, and behind them marched the delegates and visitors to the encampment. About three hundred officers, delegates and visitors were in the parade, while members of the Ladies' Auxiliary rode in automobiles furnished for them. G. A. R. Veterans also rode in machines.

A bugle corps of local veterans was followed by the uniformed degree teams of the Modern Woodmen of America and the Woodmen of the World.

Hon. Carmi A. Thompson, of Cleveland, who was here on a special mission last night, was also a marcher in the parade. Small American flags, furnished by the local Camp of veterans, were carried by the marchers.

**Ball Is Big Success**

The military ball is always one of the events on the encampment program. The Winter Garden was an ideal place for the holding of the ball this year, the large hall being crowded from nine o'clock until after the midnight hour with many local persons present in addition to the hundreds of delegates and visitors.

Promptly at ten o'clock the couples took their places and were led in the Grand March by Frank Pratt of Ironton, and Mrs. Edward Westphal of this city, Department Commander, and Edna Holloway, Department President of the Auxiliary; W. D. Tucker, National Historian and Mrs. Florence Clark, National Junior Vice President of the Auxiliary; Mr. and Mrs. G. W. Brinkle, the latter, Senior Vice President of the Auxiliary; E. K. Filbert, Department Quartermaster and Beatrice Smith, Auxiliary Department Treasurer; Joseph V. Hirsch, Past Department Commander and Margaret Beller, Auxiliary Department Junior Vice President; Mr. and Mrs. Henry T. Bird, the latter National Chief of Staff; A. D. Alcorn, Department Judge Advocate, and Mrs. Edith Noble, Auxiliary Past Department President.

Music for the ball was furnished by Journey's seven-piece orchestra.

**Flag Is Presented**

A flag presentation and raising was an added feature of the encampment program for Monday afternoon. Members of the veterans organization and Auxiliary gathered in front of the public library on Gallia street about 3:30 o'clock and participated in the presenting of a large American flag to the public library. The flag is a present from the Ladies' Auxiliary of S. W. V. of Ohio and it is the first to decorate the new 70 foot steel flag pole erected the past week in front of the library.

The presentation of the flag to the Board of Library Trustees was made by Mrs. Edith Bird of Toledo, National Chief of Staff. On presenting the flag on behalf of the Ladies' Auxiliary of the Department of Ohio, she said:

"The Auxiliary was organized to cooperate with the United Spanish War Veterans in their work and their pleasure, and has taken for its tasks the promotion of patriotism, the upholding of the cause of humanity, inculcation of proper reverence for the flag in the hearts of the people, the teaching of love of country, to increase the interest in national institutions, and to cultivate at all times, good citizenship. It is with great pleasure that I, in behalf of an organization with these principles, present to you people of Portsmouth, for your Public Library, this emblem of glorious freedom—Old Glory."

Slowly, its folds clinging closely about the pole, the Stars and Stripes were raised to the top, then suddenly the breeze caught the banner, and it floated proudly over the scene below.

**Judge Holcomb Accepts**

Applause broke forth from the assembled men and women through whom a thrill passed as the flag was raised.

Attorney A. T. Holcomb accepted the flag on behalf of the Library Board of Trustees, saying:

"For the city and the library, I accept the gift of the Auxiliary in the same kind spirit in which it has been given. It is the first flag that has ever been given to the library, and the first flag to float over these beautiful grounds. Our flag speaks in no uncertain terms of the appreciation we feel for the free institutions of our country." He spoke also of the scenic beauties that rides in and about the city offered to the visitors, urged them to enjoy their stay in the city and assured them of Portsmouth's pride in having the State Encampment here, and of the desire of our citizens to make their stay here a pleasant one. At the close all stood and sang the Star Spangled Banner, which was followed by a short concert on the grounds, by the O. S. and S. O. band.

**Today's Session of Ladies' Auxiliary**

At this morning's session of the Ladies' Auxiliary a greetings committee from the veterans was present, and in addition to extending greetings on behalf of the veterans they presented the Auxiliary with a large basket of flowers. Colonel S. Garver, of Xenia, and Otha Novle, Past Department Commander of Ohio represented the veterans' organization. The members of the Auxiliary have started funds that will be completed tomorrow. One will be given to the boys' band and the other to Miss Viola Judson, stenographer from the Xenia home. A short business session was held at one o'clock this afternoon.

The opening and business sessions of the Women's Auxiliary of the United Spanish War Veterans was held yesterday at nine o'clock at the high school gymnasium. At the opening of the session the boys' band from the Ohio Soldiers' and Sailors' Orphan Home, of Xenia, gave a musical selection after which they were thanked by the Auxiliary President, Edna D. Holloway, and then saluted by the Auxiliary. A collection of about \$17 was taken for the band. The following committees were appointed for the year 1921-1922:

**COMMITTEES FOR 1921-1922.**

Legislative—Florence M. Clark, Edythe M. Noble, Lou Summerville.

**PASSING HAT FOR BAND BOYS**

The United Spanish War Veterans in their sessions are passing the hat for the members of the boys' band from the Xenia home. The hat will be passed tonight at the Serpent Order meeting and again tomorrow morning at the closing sessions of the veterans organization. Today the hat collection netted \$108.10. A purse is also being made up for Miss Mary Admonson, stenographer from the Xenia home, who is working at the veterans' sessions.

**ALL VISITORS BEING ENTERTAINED**

All privileges, bowling, skating, dancing, etc., at Millbrook park were purchased outright by Peersless Camp.

**CHILICOTHE DELEGATES ARRIVE**

Delegates to the Spanish War Veterans encampment are still arriving. A delegation arrived today from Chillicothe. More than 200 male delegates had registered by today noon. There are more than a 100 delegates to the Ladies Auxiliary here and about twice as many visitors.

## GRAND CRAWL AND INITIATION OF SNAKE ORDER ON ENCAMPMENT PROGRAM TONIGHT

Officers of Khatee Puan Lait No. 1 of Cleveland

Tonight is the one big time of the annual encampment for the Spanish War Veterans who belong to the Military Order of the Serpent. This organization, the fun outfit of the Spanish War Vets, is also known as the Snake. Tonight is the time set for the big Snake parade and Grand Crawl as it is more familiarly called.

The parade of this organization tonight will be a grand treat to the hundreds of Portsmouth citizens who have not had the pleasure of seeing a Snake parade.

Pago Pago Lait was organized here several months ago and is rapidly growing. This big meeting of the organization tonight is sure to add much interest to the local Lait.

Grand Gu Gu G. R. Strobel of Toledo is the head officer in charge of the meeting here. Other officers are Grand Thrice Infamous Inferior Gu Gu Edward A. Schwager of Toledo, G. L. H. K. S. A. Frank Auth of Toledo and Grand Datto, Jas. F. Hejua of Cleveland. Grand Slick and Slimy Keepers of the Ophidian are John Peleiteiro, W. C. Harrington of Cleveland, Alex. A. Ure of Middletown and U. E. Buell of Hamilton.

The Khateepunan Degree and Degree of Kaul are to be conferred tonight. There is a large class to receive the first named degree and about forty are listed to take the Degree of Kaul, an entirely new degree. This is the first time it has been conferred and it completes the degree work in the Military Order

of the Serpent. The Khateepunan degree is conferred by local Lait but the Degree of Kaul is conferred only by the Grand Lait.

A picked team from Chillicothe Lait, Clara Bayon, No. 18, under the direction of Gu Gu O. C. Caylus will confer the Khateepunan degree. A picked team from Pangashan Lait No. 7 of Columbus under the direction of Past Superior Gu Gu James N. Alward will have the honor of putting on the Degree of Kaul. The team from Chillicothe has sent word that a live rattles-

snake eight feet long has just been captured and would be brought along for the benefit of the many candidates.

The large class of candidates will carry a snake 75 feet long tonight in the parade. The carrying of the snake is only the beginning of the fun they will provide for veterans who are already members of the Serpent order. The snake is to be in charge of the Dog Robber to the Enchanted Loaf, assisted by the Thrice Infamous Inferior Gu Gu, the Chief Ladrone, the Ungodly Vil-

lan, the Thrice Dulect Yowler of the Jungle, the Insidious Thumper of the Sheep Hide, the Lord High Compeller of the Sacred Bulcart. Their companions are direct descendants of the Holy Bahut Madt Wallah and have just arrived from the Ramshakkal of Dhawalagh Ghauger.

About 25 per cent of the members of the Spanish War Veterans Camps belong to the Serpent order.

The parade tonight will be in charge of Gu Gu Oscar Hundley of the local Lait and he will have for his aides Andrew Foster, James Sued, Byron Shriver and Edward Reinhardt.

The parade is to form in front of the public library at 6:30 so that it will be ready to start at 7 sharp.

The line of march as announced by Grand Marshal Hundley is as follows: West on Gallia to Gay, north on Gay to Ninth, west on Ninth to Chillicothe, south on Chillicothe to Second and countermarch on Chillicothe to Ben Hur hall, Chillicothe and Fifth streets, where the fun fest will be held.

SAM M. WILLIAMS  
Past Grand Gu Gu

## SECOND BUSINESS SESSION

Considerable business came before the United Spanish War Veterans at their second session of the 23rd annual encampment held this morning at the high school auditorium. The matter of selecting a place for the next encampment was scheduled for tomorrow morning but this matter was moved up until this morning when Col. S. Garver of the O. S. & S. O. home at Xenia presented an invitation in which he urged the encampment to come there next year. Ironton was also to have put in a bid for the 1923 encampment but withheld in honor of Col. Garver. Xenia's invitation was then accepted.

The resolutions committee also made their report this morning, the greater volume of their report concerning encampment members only. One resolution presented by Peersless Camp No. 70 of Portsmouth was defeated. This resolution was to change the system of payment for department headquarters at the state encampment. Under the present rule the entertaining Camp pays the expense of maintaining department headquarters at a hotel. This is an item of big expense and the resolution presented by the local Camp was to have the rule changed so the State Department would bear expense.

A greetings committee from the State Auxiliary meeting in the same building came before the veterans and extended greetings from their organization and also presented the veterans organization of the State with \$5 additional toward the purchase of a new Department banner and also a big basket of flowers. Mrs. Edith Bird, National Chief of Staff of Toledo made the presentation remarks. Mrs. John G. DeCamp, Hamilton and Mrs. Harry Mathiott of Portsmouth were with Mrs. Bird.

Department Commander John G. DeCamp of Hamilton was presented with a gold case for his membership card by the boys of the band from the Xenia home.

They gave him the gift to show the esteem in which he is held by their organization.

The veterans will nominate and elect officers at their Wednesday morning session.

At the opening session of the twenty-third annual encampment of the U. S. W. V. yesterday morning, W. D. Tucker, of Canton, Chief of Staff, submitted his annual report, which showed that the Department of Ohio is making rapid progress, especially in membership, the gain during the past year being 701. Chief of Staff Tucker also gives much data on his labor during the year, showing that all branches of work are in fine shape. The complete report follows:

To the Department Commander and Delegates and Comrades,  
23rd Department Encampment, Dept. of Ohio, U. S. W. V., Portsmouth, Ohio.  
Comrade—

I herewith submit my report as Department Chief of Staff to June 14, 1922.

My first endeavor upon my return from the Department Encampment at Ironton was to appoint the heads of the recruiting districts and carry forward the same plan as my predecessor Grant S. Taylor, in the work of recruiting. The appointments were: Northern district, Junior Vice Department Commander Rogers; central district, Senior Vice Department Commander Farling; southern district, Department Inspector Peterson.

My next was to send letters to every camp asking that they name a department aide-de-camp, with the result of securing 22 names of comrades as above.

My next was to send out letters to each camp announcing prizes for recruiting, description of which was announced in general order No. 2, and is reported more fully elsewhere in this report.

After my return from the national encampment I was compelled on account of sickness to let up on my activities for a time. In fact until last night, but since I have endeavored to carry on to the best of my ability.

I attended the presentation of the band instruments at Xenia, visited nine camps, inspected one camp. Represented the department commander and department on the visit of the commander-in-chief, April 24, at Toledo, and while there, asked him to present a wreath in the name of the national organization and its departments and camps to be placed in the tomb of President Wm. McKinley on Memorial Day, which was done.

In recruiting and re-organization work, have been successful in re-organizing one camp, Chas. F. Miller Camp, No. 50, Ashland, Ohio.

This camp is a consolidation of Alfred Gardner Camp, No. 72, Polk, Ohio, and Chas. F. Miller Camp, No. 50, Ashland, Ohio, and to date have 60 members, charter being held open for 60 days, this camp was instituted and officers installed by me on May 5, 1922.

Work has been done by me in the efforts in getting the camps at Wadsworth, East Liverpool and Shreve, and I have pretty good hopes that before this report is read, I will have M. S. Robinson Camp, No. 66, Shreve, Ohio, back in the fold.

During my term I have sent out 872 pieces of mail and received 294. It is very disconcerting to not receive answers to letters. To the comrades and camps who have responded to my letters I thank you, and to those who have not, I ask you to be more prompt in the future to those who give of their time to the organization.

I wish to express my sincere thanks to Comrades LeFevre, Wertman, Dillon and all other comrades in Chas. F. Miller Camp, No. 50, Ashland, Ohio, for their good work in the re-organization of the camp. To the department aides and adjutants and all comrades who have worked faithfully to build up the organization which in my opinion has been very successful considering the business depression.

And to Comrade John G. DeCamp, department commander, and his official staff, my work with you has been very pleasant and harmonious, always received immediate replies to letters and assistance in every way in my work. Our association has been in accord, and my only regret is that for a time I was compelled to let down on my efforts on account of illness.

Again thanking all of my comrades for their kindnesses to me and for their work for the organization, I am  
Fraternally in F. P. & H.  
W. D. TUCKER.

## DELEGATES PICTURED

Group pictures of all the delegates to the veterans meeting and Ladies Auxiliary meeting were taken on the high school steps by Virgil Fowler and Leroy Compton this noon.

Frank Auth of Toledo, the real "down" of the encampment wanted to be sure to get into the pictures as a revolving camera was used he took two positions in the picture. He was on the end where the camera started and on the other end when the camera completed its turn.

W. D. TUCKER,

## Select Barbecue Site

The place selected for the Boy Scouts barbecue is through Albert's invitation, just back of his home on the Scoto Trail.

The place was selected by Scout Executive Gilman after he went over the ground thoroughly yesterday afternoon.

The situation is an ideal one for a barbecue. Plenty of driftwood is everywhere to be found, and there is abundant and there is splendid swimming. The long sand bar stretches into the river, making a perfect place for the Scouts to splash and swim without danger of drowning. In addition and as a further safeguard the Scout executive will be right on hand in case of any accident.

The Boy Scouts will go out in trucks to the place of the barbecue. The trucks will leave the esplanade at 9:30, filled with all the noisy Scouts that will take the day off for the barbecue. When they get there, a pit will be dug, and the roast put on. Meanwhile the Scouts will be disposing themselves in the water on the sand bar. The roast will be ready about noon, and the hungry Scouts will fill up on it, lemonade and camp fare. After dinner, Scout games will be played till nearly dark, when it will be "homeward bound."

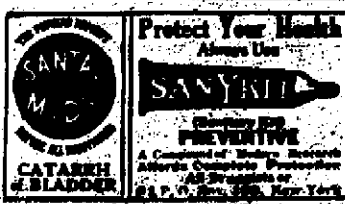

The Local Council has especially prepared this treat for the Scouts, and every Scout in the city is invited to attend. Come one, come all, and have a good time.

## Beauty Hint For To-day

## To Build Home

Wednesday, June 14, is Flag Day, and many people will be perplexed as to the proper way in which to hang a flag that is not on a staff. The following are the rules:

Hung perpendicularly, stripes

Hung horizontally, stripes running right and left, the blue field must be in the upper left hand corner.

## Don't Spoil Your Child's Hair By Washing It

When you wash your child's hair be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulstified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces.

Two or three teaspoonfuls of Mulstified in a cup or glass with a little warm water is all that is required. Simply moisten the hair with water, and rub it in. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff. You can get Mulstified at any drug store, and a few ounces will last everyone in the family for months. Be sure your druggist gives you Mulstified.—Advertisement.

### Probe Death Of Steel Firm Official

CLEVELAND, O., June 12.—An investigation to determine the cause of the death of Wm. B. Forsythe, 54, president of the Ravenshoe Steel Company, was ordered today by Coroner A. P. Hammond following a conference with County Prosecutor Edward Huston and Chief of Police Leonard B. Miller, of Lakewood.

Mr. Forsythe died suddenly Saturday in a Lakewood hospital several hours after he had been taken there from his home. A chemical analysis of the vital organs was ordered to determine whether death might have been caused by poison.

Forsythe apparently enjoyed good health previous to taking ill early Saturday, Coroner Hammond said, and that the case perplexes three physicians who attended him.

### PROBE WOMAN'S DEATH

PANA, ILL., June 12.—Relatives of Mrs. Ora Belle Downs Ridgley, once known as one of the wealthiest women in central Illinois, and reported recently to have \$110,000, have begun an investigation of her death last week at Hot Springs, Ark. Efforts to trace her estate were said to have failed.

### Naval Board Probe Of Liquor On Navy Ship Is Under Way

NORFOLK, VA., June 13.—A naval board of investigation headed by Rear Admiral Philip Andrews was busy today endeavoring to establish responsibility for the presence on board the naval transport Sirius of 67 cases of foreign liquor, which was found in the cargo unloaded at the navy yard Saturday.

Rear Admiral Hugh Rodman, commandant of the fifth naval district, expressed the opinion that the outworn beverage was the work of a powerful ring involving not more than a few naval men, with headquarters probably at Norfolk. The Sirius arrived a few days ago from West Indian waters.

## THE MARKETS

### NEW YORK STOCKS

NEW YORK, June 13—Supporting orders checked the further gradual decline of prices at the opening of today's stock market, but the tone was very feverish and unsettled. Rallies of one to almost two points in domestic and foreign oils, American Smelting, Union Pacific and Coca-Cola were offset by further reactions of 1 to 2 1/2 points in Vanadium, Chandler, Sumatra Tobacco, Stromberg Carburator and several of the miscellaneous issues. The "merger" steels were hesitant. Republic advancing one point, while Midvale retested that much. Shipments were making further pressure. Mercantile Marine preferred falling 1/2 point. Foreign exchange reflected nervous conditions abroad, with greater weakness in Austrian exchange on the closing of the Bourse in Vienna.

Elimination of speculative or margin accounts added to the market's unsettled tone in the first hour. Gulf States Steel, Beet Sugar and Davison Chemical lost 1 to 3 points and many of the miscellaneous specialties gave way to increased pressure. The list rallied before noon, popular oils rising 2 to 3 points. U. S. Steel and the independent steels recovered 1 to 2 1/2 points and motors and their accessories rose 1 to 2 points, food specialties, sugars and Coca-Cola rallying 1 to 3 points. Davison more than recovered its loss and allied chemicals was strong with American Woolen. Among rails Union Pacific and Southern Pacific, Rock Island, Reading, Baltimore and Ohio, and New Haven showed gains of 1 to 2 points. Call money opened at 3 per cent.

Recoveries of 1 to 3 points from yesterday's severe unsettlement were made in today's less active stock market, following the further closing out of speculative accounts. Sales approximated 1,400,000 shares. The closing was steady.

### Chicago Grain And Provisions

CHICAGO, June 13—Assessments that wheat prices were being reduced below cost of production tended to rally the wheat market today from an initial decline due to heavy margin calls which had been sent out last night. The fact that the calling of margins caused no extensive new liquidation on the part of holders helped to steady the market. Besides, values at Liverpool today showed less of a fall than had been looked for in view of the severe decline yesterday in American markets. The opening here, which ranged from 1/4c decline to 1/2c advance, with July 1.05 1/2 to 1.10 and September 1.09 1/2 to 1.10, was followed by a moderate general setback and then by an upturn to slightly above yesterday's finish.

The close was steady 3/4c to 5/8c higher, with July 1.10 1/2 to 1.10 3/4 and September 1.10 1/2 to 1.10 3/4. Corn and oats reflected the changes in the wheat market. After opening 1/4c off to a like advance, July 60 1/2 to 60 3/4, the corn market scored a little gain all around. Oats started 1/4c to 3/8c lower to 3/4c advance, July 35 1/2 to 36 1/2, and later hardened a trifle on all deliveries.

Corn closed easy at the same as yesterday's finish to 1/4c to 3/8c lower, July 60 1/2 to 60 3/4. Lower quotations on hogs weakened provisions.

Shot full of "pep" by the presence of some new faces in their lineup, the N. & W. wreck crew got back on its winning stride Monday evening when the Wells gang romped all over the Excelsior clan at the kindlay street yard and breezed in on the long end of a 10 to 3 score. Incidentally it was the second win of the year for the choco-boo boys, who copied their initial contest and then dropped their next four starts, but now that the railroaders are out of the rut, watch their smoke from now on.

The new lease of life taken by the N. & W. brigade can be attributed to the presence of Cordwell, the clown of "ain't it the truth" fame, who played last year, and he was welcomed back with open arms by his old pals. The comedian not only furnished a barrel of fun and kept the big crowd in an uproar from start to finish by his antics, but he played a stellar game at the keystone sack and led his team with one a luscious triple, which he punched out his first turn at the bat. Cordwell got on the bases five times in a row, registered three markers and he came near being the whole works.

The railroaders won strictly on their merits by giving Mr. Spencer a quick wallop and then slammed Joe Barber all over the arena. "Boss" was driven off the hill in less than two rounds and the shoemaker leader was unable to check the onslaught and he, too, gave up the task after a brief effort. Conley, a recruit, was then trotted out and put on the brakes, finishing it up in fair style.

Meyers pitched well for the railroaders and while a bit wild, issuing six passes, yet he had the shoemakers hopping all over the shop throughout the combat. He allowed the enemy but four singles scattered in as many rounds and now that the "Big Chief" has rounded into form he will be a tower of strength to Manager Wells' staff.

Another pleasant feature to the N. & W. adherents was the splendid performance of their new first sacker, Mr. Jones, of Ironton, who looked like a real player. He performed quite nimbly about the first corner and crashed out two hits, one a triple and the other a double. Here's how it happened:

**FIRST INNING**  
 Cordwell, "It's the Truth," was given a real hand when he stepped to the plate. He responded with a triple to middle, a drive that went to the outskirts like a shot. Shoemaker grounded to short, but Cordwell wisely held third. Wells sent a long sac-

## Cards Made 10 Hits In One Inning

NEW YORK, June 13—Three of Babe Ruth's home run rivals had forged still further ahead of the Yankee slugger today as the result of a simultaneous skirmish yesterday. Ken Williams, of the St. Louis Browns, who has been in a woeful slump for several weeks, cracked out his fifteenth circuit drive. Rogers Hornsby, his National league fellow townsman, drove out his 14th and Bing Miller, of the Athletics, collected his thirteenth.

The Cardinals went on a swatting rampage against three Philadelphia twirlers and tied their own major league record of 10 consecutive hits in a single inning. Trailing the Phillies, 6 to 3, in the sixth, the westerners opened a barrage against Meadows and Winters that brought seven runs across the plate. Fournier began and ended the hitting streak in this inning with a single. Altogether the Cardinals gathered 23 hits, five by Lavan and four each by Hornsby and Jack Smith. The score was 14 to 8.

Williams' clout with one on in the first inning of the game, gave St. Louis enough runs to check the Yankees' winning streak, although the Browns continued to pummel Joe Bush and made the count 7 to 1, while their college recruit, Pruet, had the New York bats silenced. Three Athletic pitchers were easy for Cleveland, who won 11-3; the Tigers' four run rally in the ninth fell one short and Washington strengthened its hold on third place by winning 7-6, while Chicago took an uphill game from Boston 7-6, after Schupp's wildness handed the Red Sox an early lead.

Irish Meusel's triple, and homer, his sixth, helped the Giants to their third straight over the Reds 9 to 3, while Aldridge held Brooklyn to five hits and the Cubs turned the tables on the Dodgers, 8 to 6.

Frank Miller hung up his fifth straight for the Braves, who profited by Pirate misplays and won easily 11-2.

A crowd of on-lookers is being used on top of the paving.

### PHILADELPHIA, June 13—St. Louis

Louis pounded three Philadelphia pitchers, Meadows, Winters and Ritz, for 23 hits and won its third straight victory of the series Monday 14 to 8. In the sixth inning the Cardinals made ten straight hits and seven runs off Meadows and Winters. Lavan led the St. Louis attack with five hits out of as many times at bat. Score:

## INDIANS BAT HARD

CLEVELAND, O., June 13—Cleveland battered Philadelphia pitchers hard Monday, winning 11 to 3. Uble, while somewhat wild at the start, was very effective. Miller hit a home run into the left field stands. Only four other players have hit home runs into these stands, Miller being the only one to do it twice. Score:

## THE MESSAGE TO GARCIA

**LIBERT HUBBARD'S "A Message To Garcia"** has come as close to being recognized as a classic as is possible for the work of a man who has died as recently as he. Millions of copies of the essay have been printed; it has been translated into all the important modern literary languages; the very phrase "A Message to Garcia" has come to connote something noble, daring and resourceful.

It was only 24 years ago that Hubbard published his famous brochure, yet the period in which it was written already seems incredibly remote—like ancient history. It was the nineteenth century. Queen Victoria, who was born before Napoleon Bonaparte died, was still reigning in England. The automobile was still a curiosity; there were probably not 500 in all the United States. Numerous commonplace things of today were as yet scarcely dreamed of.

Because the year 1898, in which "A Message to Garcia" was written, seems much longer ago than it really is, and because the essay has virtually become a classic and on that account also is suggestive of age, the central figure of the incident which afforded Hubbard his text—a man named Rowan—has assumed in the minds of hundreds of thousands of persons a mythical or legendary character. It is a surprise, indeed, to learn that he is alive. It is gratifying that a movement has been started to accord him the honor that is his due. It is hardly to be doubted that medals were bestowed on many World War heroes whose deeds were no more valorous and no more valuable to the American cause than that of Lieut. Andrew S. Rowan. General Miles said at the time in dispatches to Washington concerning the delivery of the message to Garcia: "This was a perilous undertaking, and in my judgment Lieutenant Rowan performed an act of heroism and cool daring that has rarely been excelled in the annals of warfare."

It is meant that the man whose unquestioning performance of duty, in the face of hardship and at the risk of his life, has been an inspiration to millions of youths the world over, should be given the Distinguished Service cross or such other medal as will be appropriate.

## FAITH IN U. S. A. WINS

**NEWS** that every issue of Liberty bonds and Victory notes have touched par is good news. It is good news especially to those who held fast to the world's finest securities even in those dark days when some of them were quoted in the lower 80's.

It is not difficult to remember the anxious questionings of many to whom the ownership of war bonds was a new experience. The memory is fresh of the spring of 1920 when almost every day brought a new appeal to citizens to hold their bonds. Some sold, but most held. And today they reap their reward.

It is but one more evidence that no man can win by being a bear on the United States. It demonstrates, too, that the man or woman who would most surely prosper by investment in the security markets does best to buy only the safest issues and wait for the long pull.

Those who bought Liberty bonds when they were offered for \$83 and \$84, or less, had faith in their country. They are now reaping their reward. And the "long pull" has not been long, after all.

The average man sheds a tear every time he reads that two senators who wanted to pommel each other were forcibly separated before any damage was done.

Before the day of the automobile, it was no waste of locomotion for a driver to stop and give a pedestrian a lift toward his destination.

Women in other days seemed to get along quite well without can openers, and the druggists did not sell so many remedies for indigestion.

### THE BRAZEN SERPENT

**T**HE children of Israel journeyed from mount Hor by the way of the Red sea. They were discouraged and spoke against God and Moses, then God sent fiery serpents that bit the people and many died. Moses prayed and the Lord told him to make a serpent of brass and set it upon a pole, any person having been bitten would live if they looked upon it.

They sent messengers into the king of the Amorites asking if they might pass through his land, he refused and fought against them. And Israel took their cities and dwelt in the land of the Amorites.

and take. The theatrical office assumes that every visitor has a burglar kit on the hip. And they flaunt their warning "Try to get it!"

For instance in the office of one producer is a sign reading: "Mr. Blank will see no one." Yet I happened to be there one day when a lady with painted charms and cryptic face arrived. A half dozen doors swung open in a rush. She was the star—and you see she had made the producer money. And that is the magic key that opens the Rialto's stubborn doors.

Touching upon things Therapeutic, a bon vivant with pompous front stood under a hotel canopy as the theatres were emptying the other evening. From a stage door came a flock of chorus girls.

"What time is it?" a friend asked him. "About midnight," he replied. "They've unleashed the all-mighty hounds."

The daylight saving schedule seems to be confusing even to Tin Pan Alley. The most popular of the waltz songs in the supper clubs is one called "Three O'clock in The Morning," and all the clubs now close at 2 a. m.

We seem unable to turn from the attractions in today's offering. Still one cannot help but notice that the summer revue triumph did not import foreign stars this year. They

selected Gilda Gray from a supper club and Gallagher and Sheen from the two-day and featured them. Most of the English and French importations during the past few years have failed miserably to excite the spectators.

In the midst of our mental foggy over something to write about comes a letter in a bold hand saying among other things: "You talk about New York as if nothing ever happened elsewhere. I'll wager you were never off that stuffy, silly island. There are men on the cracker-barrel who know more of life than your wisest Broadwayite. You have a seeing eye and it is a pity to waste your talents on such a foolish city. Travel and see something new."

 (New York Times)  
 Shall I tell you the story the shell told to me—  
 The little pink fragment I found by the sea?

A mermaid—wondrous fair was she—  
 Lived in the sun blue deep—fairly.  
 List to the joyous splash of the sea!

Lo! sudden, as she sank to sleep,  
 A monster dragged her to the deep.  
 List to the feeble sneer of the sea!

Rose up Neptune in roaring wrath,  
 Smote the dragon in his path.  
 List to the angry hiss of the sea!

The mermaid lay in his arms in fright,  
 While Neptune soothed her in her plight.  
 List to the gentle swish of the sea!

His nymphs played music passing sweet,  
 As she bathed in water of lucent deep.  
 List to the swaying of the sea!

The mermaid gazed at his hoary tresses—  
 Gayly she thanked him with soft caresses.  
 List to the warm-sweet kiss of sea!

This is the story the shell told to me—  
 The little pink fragment I found by the sea!

## New York-Day-By-Day BY O. O. MCINTYRE

NEW YORK, June 12.—The Rialto-Scotts the impractical dreamer. But when success comes and Broadway blinks the dreamer's name in letters of fire, well, that is another story. Two years ago a shy young man in unpressed tweeds sat hopefully from morning until night at the outer gates of the producers.

His persistence finally won and he carried to Garcia an idea. Now he will meet producers only by appointment days in advance. He swept along with him to amazing success an unknown producer who had merely given him a kind word when the world offered his pliant rebuff.

Wilson Mizner coined the phrase "hard-boiled." He was speaking of the Rialto. Even the secretaries and office attendants appear to delight in hurling the barbed verbal thrust. The reason is that most producers who have gained eminence came from a world where each man was for himself.

Little George White was a rag-muffin of the race tracks and danced for dimes on the East Side. Sam Harris scraped up from the Bowery and Irving Berlin pounded a tiny piano in a Chinatown saloon. Al Woods fought his way from tenement loneliness and so it goes all along the line.

The personnel of the producing end of the theatre is backgrounded with the atmosphere of gangland's give
